Dear Family, Friends and Colleagues,

I hope that you have had a good half term break with family and friends. We have a busy half term ahead of us, the children will be doing work on the topic of plants and there are lots of great learning activities on this ahead. There are also some exciting events happening in school, details of which are below.

### **International Food**

On Wednesday 29<sup>th</sup> March at 10.00 the Friends of Mossbrook are hosting our second International Food Morning. You received a separate letter about this from the friends. I hope to see you there.

### **Live Music Now**

We are very fortunate to have some musicians working in school, which will culminate in a performance for parents on Friday 24<sup>th</sup> March at 1.20 p.m. Further details will follow.

### **Parent Governor**

Due to Mohammed Khan's term as Parent Governor ending we are now looking for a new Parent Governor. Being a governor is a very rewarding role and provides the school with a great deal of support. Attached is a letter with further details.

Dear Parents and Carers

The Governing Body at Mossbrook have a vacancy for a Parent Governor. Being a Governor is a rewarding role. The Governors make an important contribution to the school. The main roles are: to establish the strategic direction; ensure accountability, particularly through self-evaluation and to ensure that the school provides value for money.

New governors are well supported by the Governing Body and good quality training is available.

Governors meet once each term for a full meeting and then each governor is either part of the Teaching and Learning or Staffing and Finance sub-committee meeting once a term, meaning that there are two meetings a term in total for each governor, some are after school and some are during the school day. Governors also take a part in working with school staff on either: Wellbeing, Communication or Curriculum and some have added interest in Safeguarding or Health and Safety.

If you are interested in being a Governor please complete the attached form to nominate yourself and return it to school by Friday 17<sup>th</sup> March. If there are several people interested then an election will be held.

Please feel free to contact me in school if you would like further information or if you would like one of the current Governors to contact you regarding the role.

Yours sincerely

*Dean Linkhorn*
